

## ASTROLOGICAL ANALYSIS

**Name:** XYZ

**Date of Birth:** DD/MM/YY

**Time of Birth:** 24:00

**Place of Birth:** New Delhi

**Psychological and mental attitude:** You have a righteous attitude and are always very clear what is right and wrong. In spite of this, you act and do things that would be shameful for you to accept publically. You are attracted to beautiful things in life but strangely, get a sort of guilt feeling if you enjoy those aspects. You are a rollercoaster emotionally, swinging from extreme happiness to extreme sadness in moments. You are secretive but without any intention of harm to anybody. You do not want to be in fights of any sort because of subdued nature. You have an angry disposition with regular bouts of anger, but due to subdued (or fearful) nature, you avoid taking it out. You are prone to extreme pessimism occasionally but come out of it without any outside help.

**Advice:** You are prone to getting health problems due to your emotional state. Try to find happiness in multiple things instead of depending on few. Don't stop yourself from enjoying something that makes you happy. Take time out for yourself, find pleasurable activities that do not require dependence on others.

**Health:** The horoscope indicates a below average health disposition. The major problematic area are head and chest. Any pain in these areas should be immediately checked. As you will grow old, the health will keep on deteriorating. Therefore, proper body care like balanced diet and regular exercise is a must. 2014-2016 is the time in near future that you should be careful about your health.

**Profession:** This is one of the strong aspects of your horoscope. You will have a successful professional life. Any event that may seem to be distressing will soon give way to a better avenue. The income will be regular and there is not much to worry for next 15 years.

**Marriage:** Your married life will be a mix bag but overall a negative influence in your life, something that you could do without. It will take you to extremes of emotional highs and lows, and force you into desperation on occasions. The good

part is that this relationship will teach you many things about life, and take you to higher level of human consciousness. It will give you the power to be in a relationship, yet be totally unaware about it. The coming years are a better period marriage wise, positives will be more prominent.

**Finances:** You will have a comfortable life financially. However, make plans for old age from now on. Your plans should include factors that may compell forced retirement due to health issues.

**Job or business:** Although you can be successful in both, but you should opt for job. You have a subdued nature that is not good for business. You can work under somebody easily as you lack controlling and authoritative attitude. This will also have some influence in job, as you will not be able to handle your subordinates. For this reason, you may not become a CEO or independent area head where you need to control many people. Be careful and control instant burst of anger that may ruin your job progress.

**Speculation or investments:** You have a good horoscope for getting into speculation but be careful to speculate on legalised products only. Speculation in gold, platinum and currencies will be specifically advantageous. Apart from this, Sugar and other agricultural products will also be profitable. Don't speculate on crude oil and metals other than precious ones.

**Investments:** Invest in precious stones, stocks of cosmetics, jewellery etc. Investment in land should be carried out only after thorough checks as it indicates confrontations, however, stocks of real estate companies will prove beneficial. It is important to have savings for later years. Investment in bonds should exceed investment in stocks.

**Auspicious days:** Sunday, Monday, Wednesday, Friday.

**Days to avoid:** Tuesday, Thursday.

**Neutral day:** Saturday (But good for property dealings)

**Children:** Your horoscope indicates female children who will be a real positive factor in your life, but they will be moody and sometimes you will find them difficult to understand. It is important to have a good communication channel between you and your children from the initial stages. They would be touchy on even small things. However, it is also important that you show who is in control as they are also prone to becoming stubborn.

### ***July 2011 to April 2014***

Present to December 2012: This will be a major transition phase in your life. Children (or thoughts of having children) will become major part of your emotional thoughts. You may start to have thoughts of extra marital relationships. You may start to question the whole concept of sanctity of marriage.

January to April 2012: Not a favourable period health wise, head, chest and genital area pains may trouble you. This is also a period of disharmony with wife. Avoid any sort of confrontation with authorities in office or local administration.

April to October 2012: This period may see a drip in your self-esteem and hard working attitude. The major reason could be family disharmony. Try to find peace in things you like.

October 2012 to February 2013: Excellent time overall and any pending problems will be sorted out in this period. Good time to take important decisions, enter into new contracts resolve disputes etc. Best time for investment and speculation as the period signifies good financial gains.

February 2013: This will be a time when you introspect and try to understand reasons for events occurring around you. This is also a period of when you may have tensions. This period be however be financially good.

March to September 2013: This will be another excellent period and will be positive for almost all the aspects. A very strong period financially, and past investments made may bring good returns. You may have harmony in married life or may have a satisfying extra martial relationship.

October/ November 2013: Good period again, specially related to rise status. If you have been denied promotions, this may be a good period to fight for it.

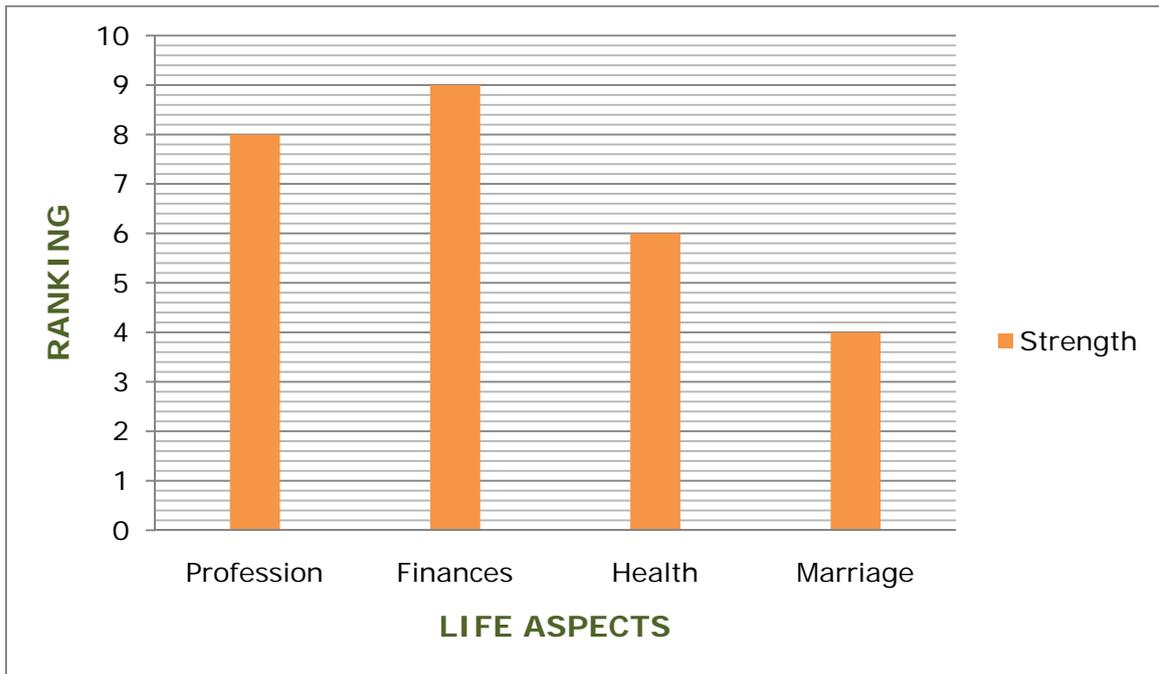

November 2013 to February 2014: Another good period specially professionally. However this period may have some effect on your thought process. It may become indecisive and you may find it difficult to come to any conclusions quickly.

February 2014 to April 2014: This period may see drop in health and create some tensions in profession.

### ***April 2014 to August 2016***

Overall not a good period. The major impact will be on health and marital issues. Avoid any investments, and specially speculation in this period.

**Remedy:** Wear Pukhraj stone, drink turmeric and use yellow colour in clothing and furnishings. Fast on Thursdays and stop consuming meat and liquor.
